I. THE DESCRIPTION OF THE EVENT

The **European Youth Parliament TOMIS NATIONAL SELECTION FORUM 2016** will take place in Constanta, the oldest living city in Romania, founded around 600 BC. For centuries Constanta was known as TOMIS and experienced the Greek, Macedonian, Roman or Turkish occupation, which explains now the fact that here we can find more minorities recognized by Romanian law than anywhere else in Europe.

Besides Romanian here live together in peace Turkish, Greeks, Ukrainians, Tatars, Macedo-Romanians, Armenians, Russians, Gypsies, Jewish, Bulgarians and others.

The city is located in the Dobrogea region of Romania, on the Black Sea coast. 120 youngsters from European countries will celebrate the European Year 2016 under the motto “TOMIS: A multicultural example for Europe!”, combining the typical EYP program with cultural, sports events, trips and even relaxing time, as well as enjoying the summer sun while discovering the beauty of Romanian beaches.

The aim of this document is to answer all your questions regarding the program, travel details, costs etc. If you have further questions, please don't hesitate to contact us at office@eypromania.eu.

You can also visit www.eypromania.eu/en.
